

'One of the penalties for refusing to participate in politics is that you end up being governed by your inferiors' -Plato

Internship at I-PAC: Job Description

I-PAC

I-PAC engages with the political sphere to bring about a positive impact in governance. Our triumphs include electoral victories of the 2014 General Elections, Bihar State Elections 2015, Tanzania National Elections 2015, Punjab State Elections 2017. Currently, we are working on a project in Maharashtra.

Our People

At I-PAC, we take great pride in our team of motivated youngsters from diverse backgrounds who form a melting pot of energetic young professionals from premier institutes like IIT, IIM, TISS, LSE with experience from prominent organisations like McKinsey, ITC, Citi Group, Credit Suisse, Deloitte etc.

Life at I-PAC

The dynamism in political processes are ingrained in the work we do. An experience unrivalled in India which thrives on a high octane environment, we aim to provide an enriching work culture and promote an ethos of integrity and knowledge sharing.

About Internship:

During this internship, you get a unique chance to work with a team of professionals who specialize in electioneering and campaigning. It will provide you a platform to engage with top political leaders on a national or state level and a community of enthusiastic and like-minded citizens.

We require intelligent and well-organized individuals who are able to assist us with on-ground implementation of our project. Interns will be responsible for last mile execution and will have to interact with people from different socio-economic strata to collect the aspirations of the people. This is a field position having extensive travel. Interns will be responsible for liaising with various stakeholders and would involve in building and managing teams of volunteers.

What will you do as an Intern at I-PAC?

- Participate in an entire lifecycle of campaigns which includes:
 - Conceptualization of campaigns
 - Interacting with influencers
 - Research on politico-socio-economic agendas pertaining to the elections
 - Data analysis
 - On-ground execution of campaigns
 - Travel extensively for on-ground surveys & projects
- Work across various domains such as:
 - Digital Media
 - Data Analysis
 - Strategy Research
 - Supply & Procurement

Send us your resume if you are:

- Passionate about politics
- Keen to create a social impact
- Adept at taking up challenges
- Dynamic and adventurous
- Encouraged by ideation, teamwork and commitment
- Open to travel and working in a 24/7 environment

Note: Proficiency in Marathi language would be an added advantage
